

# Evaluation of the International Core Curriculum Forest Therapy

Dr. Dieter Kotte (ANFTA) and Gisela Immich, M.Sc. (LMU)

The following structure reflects the International Core Curriculum proposed to train Forest Therapy Guides. It is supplemented by specific national features not listed and to be validated here.

Please evaluate each individual element of the International Core Curriculum below whether you consider it 'very important', 'important' or 'not important'. Then tick the respective box in each line (✓). Do not tick more than one box per line. You have the option of providing additional comments below.

*Thank you very much for your assistance!*
